PA MUFONS first Awareness Day was held in Harrisburg PA May 17, 2008 in conjunction with the Harrisburg Group S.E.A.R.C.H

PA MUFON would like to thank all the S.E.A.R.C.H members who assisted with making the affair a success. There is a possibility of making this an annual event. I would also like to thank members of the Spirit Society of PA and the Paranormal Society of PA for their help and support in promoting UFO Awareness Days in the state.

PA MUFON will continue to promote UFO awareness through events and speaking engagements throughout the state whenever possible.
